Dr Brownstein | The Guide to Healthy Eating

The Guide to Healthy Eating will show you which foods are healthy and which food you should avoid. Furthermore, this book will help you make the best food choices for you and your family. Food is our best medicine. Relying on the media, diet associations, and food corporations will lead you astray when it comes to providing information on how to achieve your optimal health.

The Guide to Healthy Eating by David Brownstein

Dr Brownstein clearly explains the differences in raw foods, whole foods, processed foods, hydrogenated foods, and what they really mean to you and your body, and your overall health. I have read dozens of "food, health, and nutrition" books, but this one is the best one that I have read so far. I would rate is as A MUST READ for everyone.
