We created a 20-item parent-report measure of humor development from 1 to 47 months: the Early Humor Survey (EHS). We developed the EHS with Study 1 (N = 219) using exploratory factor analysis, demonstrating the EHS works with 1- to 47-month-olds with excellent reliability and a strong correlation with age, showing its developmental trajectory. We replicated the EHS with Study 2 (N = 587 ...

Engaging Parents . According to Webster's New World College Dictionary (4th ed.), to "engage" is "to draw into, involve, to attract and to hold." Most parents want to be engaged in their child's learning, and many are able to establish and maintain ongoing and productive communication with teachers on a regular basis. Some families, however, must deal with challenging circumstances (e.g ...

Between buffoonery and boorishness there is a happy medium—engaging in humor at the right time and place, and to the right degree. This virtue Aristotle calls eutrapelia, ready-wittedness, from the Greek for "turning well." In his Summa Theologiae (2a2ae, Q. 168) Aquinas extends Aristotle's ideas in three articles: "Whether there can be virtue in actions done in play," "The sin ...

That said, tread carefully when using humor. Don't single out employees or customers for teasing, even it's meant in fun or supposed to be tongue-in-cheek. Keep in mind the old business email rule that says you should never write something that you wouldn't want to see published on the front page of The New York Times or The Wall Street Journal. That may be extreme, but employee ...
