go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still

economic decisions are taken by the market.

Though the government has withdrawn itself from many economic activities, it often interferes when the market mechanism fails due to structural rigidities in the economy and other factors to provide goods and services to the people.
