The adoptive family will agree to the adoption plan until after the adoption is final, and then will deny any contact between the birth parents and the child. Birth parents who place their child for adoption will never see the child again. Men and women who choose to place their child for adoption must go through an adoption agency.

The Nature of Adoption in Islam . The guardian/child relationship has specific rules under Islamic law, which renders the relationship a bit different than adoption in other cultures, where adoptive children become virtually identical to birth children in the eyes of the law. The Islamic term for what is commonly called adoption is kafala,
