Book description. At the end of the nineteenth century, the zenith of its imperial chauvinism and jingoistic fervour, Britain's empire was bolstered by a surprising new ideal of manliness, one that seemed less English than foreign, less concerned with moral development than perpetual competition, less civilized than savage.

Since the dawn of European imperialism, the "masculine" element, emphasizing the cardinal features of authority and rule and entailing structures of unequal power, remained ever present in all social and political organs of colonialism. One of the prevailing ideologies of imperialism was that colonies were "no place for a white woman."
