Gameplay, Minecraft is a 3D sandbox game that has no specific goals to accomplish, allowing players a large amount of freedom in choosing how to play the game. However, there is an achievement system, known as "advancements" in the Java Edition of the game, and "trophies" on the PlayStation ports. Gameplay is in the first-person perspective by default, but players have the option for third ...

A core part of the UK government 's construction strategy, Building Information Modelling is the process of creating a digital model of a building or infrastructure facility. The fundamental idea behind BIM is to create and share the right information at the right time throughout the design, construction and operation of a building or facility, in order to improve efficiency and decision making.
