The basic elements required for the agreement to be a legally enforceable contract are: mutual assent , expressed by a valid offer and acceptance; adequate consideration; capacity; and legality. In some states, element of consideration can be satisfied by a valid substitute. Possible remedies for breach of contract include general damages , consequential damages , reliance damages, and specific performance.

Contract | Wex | US Law | LII / Legal Information Institute
Elements of a Legally Binding Contract. Contract law requires certain elements of a legally binding contract to be met in order for the agreement to be enforceable. Regardless of the type of contract, if any of these four elements is not met, the contract may not be enforceable:

Contract Law - Definition, Examples, Cases

United States contract law covers obligations established by agreement (express or implied) between private parties. Generally, contract law in transactions involving the sale of goods has become highly standardized nationwide as a result of the widespread adoption of the Uniform Commercial Code.

Contract Law - HG.org

Directed by Moziko Wind. With Stephanie Betesh, Andrew Blood, J.J. Brewer, John Brody. A new age of terrorism is taking place in the United States. FBI Director, Frank Fitzgerald, is helping an Iranian terrorist group frame innocent American citizens rendering them guilty for terrorist acts they did not commit. The seventh victim, Tom Cali, is on the run trying to prove his innocence.

...

The four main rules in contract formation are an offer, an acceptance, consideration and the intention to create legal relations. Agreement involves the change of bargaining into a solid deal, the negotiations do not themselves make a contract and therefore it has to be clear when an agreement has been reached.

Four Main Rules in Contract Law - LawTeacher.net

A contract is legally enforceable because it meets the requirements and approval of the law. A contract typically involves the exchange of goods, service, money, or promise of any of those. "Breach of contract", means that the law will have to award the injured party either the access to legal remedies such as damages or cancellation.

Contract - Wikipedia

For private contracts, the main legal theory is the Fifth Amendment Takings Clause. Plaintiffs argue that since contract rights generally are deemed "property" under the Takings Clause, a congressional enactment that thwarts performance under a contract in essence takes property, requiring compensation.
