Summer in Algiers Quotes Showing 1-5 of 5. "For if there is a sin against life, it consists perhaps not so much in despairing of life as in hoping for another life and in eluding the implacable grandeur of this life.". — Albert Camus, Summer in Algiers. 271 likes. Like.

### Summer in Algiers Quotes by Albert Camus

"Summer in Algiers" is a short, imagistic essay, part of a collection called Noces written in 1936, just prior to "The Myth of Sisyphus", the essay which established Camus' reputation as an important contemporary voice. It is an unpretentious vignette, an almost photographic-like description of the people, especially the youth, of Algiers as they carry out their daily routines.

Abstract. Summer is one of the most fragmented and desultory of Camus's essays. This text appears as a mosaic. Some texts, like "Minotaur or the Halt at Oran" are almost contemporary of the first of Camus's essays, such as Nuptials or The Right Side and the Wrong Side; others are written in the 1940s, as "The Almond Trees" (1940), "Prometheus in the Underworld" (1946) or "Helen's Exile" (1948); and others belong more or less to the period of the publication of Summer ...

That joy is necessarily intertwined with despair, that the shortness of life confers a premium on intense experience, and that the world is both beautiful and violent—these are, once again, Camus's principal themes. "Summer in Algiers," which is probably the best (and best-known) of the essays in the collection, is a lyrical, at times almost ecstatic, celebration of sea, sun, and the North African landscape.
