WD TV Live Media Player: Amazon.co.uk: Computers & Accessories

WD TV Live doesn't do it with media it's streaming from wi-fi or direct Ethernet. For a lot of folks who do have content directly connected this can be a show stopper. The only real solution seems to be to roll-back an earlier firmware version as this was introduced in, I think, the last 2 latest firmware releases from WD.

Latest firmware for WD TV LIVE MEDIA PLAYER - WD TV Live ...

Kevin explains how to set up, program and use the WD TV Live box by Western Digital.

How to set up and program a WD TV Live box - YouTube

The WD TV Live is a small unit that can decode pretty much any type of video and audio file you throw at it. It can read files off USB drives attached to its front or rear USB 2.0 ports, and it can stream video from network locations once you plug it in to an Ethernet port on a router or set it up directly on a wireless network (it has built-in Wi-Fi).

Western Digital TV Live media streamer Review: The WD TV ...

WD should expect to support it OR disclose that the product is being discontinued and will not work beyond the 1 year warranty period. Specifics: I purchased WD TV Live June 2014 from Amazon, specifically because it was rated high for use of Netflix and was still listed as a supported Western Digital product.
