Pluralist Theory: A Functionalist Perspective. Recall (from Chapter 1 “Sociology and the Sociological Perspective”) that the smooth running of society is a central concern of functionalist theory. When applied to the issue of political power, functionalist theory takes the form of pluralist theory, which says that political power in the United States and other democracies is dispersed among ...

Globohomo is the vast system of anti-White, minority-worshipping leftism that wants to control and suffocate the entire world. And if you want a good example of the “globo” in globohomo, just consider this. At school in the UK, White British students are taught all about the Black American non-entity Rosa Parks (1913–2005) and nothing about the White British genius George Boole (1815–64).
