LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

DAF XF105 DETROIT DIESEL Deutz Doosan EMD Ford HINO IH International ... I just joined for the year and downloaded a DT466 service manual that gives me EXACTLY what I was looking for!! I'm EXCITED!! What a great concept! International is so stingy with their information and here it all is. I really appreciate it and look forward to learning a lot at your GREAT site. Thanks again. Mike. Shane
