A History Of Private Life

History of Private Life The widely celebrated and sumptuously illustrated History of Private Life series traces how society moved from an entirely-public to an almost entirely-private way of life. The five volume collection shows how people's perceptions of themselves, their homes, their families, and their possessions changed, and how their ways of celebrating life events changed.

At Home: A Short History of Private Life is a history of domestic life written by Bill Bryson. It was published in May 2010. The book covers topics of the commerce, architecture, technology and geography that have shaped homes into what they are today, told through a series of "tours" through Bryson's Norfolk rectory that quickly digress into the history of each particular room.

A personal history is one way of leaving a legacy for descendants to treasure for generations. It is important to retain accuracy of information when creating your personal history. If you leave it to someone else to create it, he or she can only rely on their memories of you and secondhand stories that may not accurately reflect your life.
