Nhmrc Grant Application Guidelines

Project Grants supported the investigation of new research ideas, between one and five years in length. Single investigators or teams of up to ten Chief Investigators (CIs) were supported as well as New Investigators (NI) or early career investigators. Research teams were encouraged to include early career researchers as part of the CI team.

Project grants | NHMRC

At NHMRC we are excited by the huge potential benefits of the research we fund and by the opportunities we have to ensure Australians have access to evidence-based, authoritative health advice. We create pathways to a healthier future through our research funding, our health guidelines and the ethical standards we set and uphold.

Funding | NHMRC

Applications for this funding will be submitted and peer reviewed through the 2020 NHMRC Investigator Grant round opening 2 October 2019. Grant Guidelines for this MRFF funding round are now available through a Grant Opportunity on GrantConnect.

Investigator Grants | NHMRC

We are improving our grant funding program to ensure it continues to support the best Australian health and medical research and researchers. The new grant program reflects the philosophy that health and medical research is best supported by a diverse portfolio of schemes.

Results of NHMRC Grant Application Rounds. To date, the 2020 NHMRC Grant Application Round has resulted in the commitment of more than \$381.8 million to fund 264 grants for health and medical research.

Outcomes of funding rounds | NHMRC

NHMRC guidelines are intended to promote health, prevent harm, encourage best practice and reduce waste. They are developed by multidisciplinary committees or panels that follow a rigorous evidence-based approach. NHMRC guidelines are based on a review of the available evidence, and follow transparent development and decision making processes.

Guidelines | NHMRC

The NHMRC is required to publish Grant Guidelines and all associated scheme documents on GrantConnect, the Australian Government whole-of-government, web-based, grant information system. You will need to sign in or create a User Registration account in GrantConnect to access all relevant documentation for NHMRC applications.
