The Hysteria Sanctuary A Four

long-term solution to take root, we are operating along four priorities of action in the short term. Prevent attacks by terrorist networks. A government has no higher obligation than to protect the lives and livelihoods of its citizens. The hard core among our terrorist enemies cannot be reformed or deterred; they will be tracked down, captured, or killed. They will be cut off from the network ...

Four Quartets 4: Little Gidding I Midwinter spring is its own season Sempiternal though sodden towards sundown, Suspended in time, between pole and tropic. When the short day is brightest, with frost and fire, The brief sun flames the ice, on pond and ditches, In windless cold that is the heart's heat, Reflecting in a watery mirror A glare that is blindness in the early afternoon.

Beatlemania was the fanaticism surrounding the English rock band the Beatles in the 1960s. The group's popularity grew in the United Kingdom throughout 1963, propelled by the singles "Please Please Me", "From Me to You" and "She Loves You". By October, the press adopted the term "Beatlemania" to describe the scenes of adulation that attended the band's concert performances.

There is a smile on Freddie's face, but it's tense and joyless. A paradoxical nervous reaction, verging on hysteria. Verging on tears. "Fuck," he echoes in an unsteady voice, lowering himself onto the other end of the sofa. They can't look at each other, so they look away, staring into thin air. What else is there to say?
