according to these critics, was now a euphemism for post-war American hegemony; it was the ideals and development programs of the United States and its (Western) European allies that would form the basis of development everywhere else. Post-development theory

Postdevelopment theory - Wikipedia

Download Free Theory Of The Post War Periods

From the just war (justum bellum) tradition, theorists distinguish between the rules that govern the justice of war (jus ad bellum) from those that govern just and fair conduct in war (jus in bello) and the responsibility and accountability of warring parties after the war (jus post bellum). The three aspects are by no means mutually
